

UNITY SHOPPE[®]

“Neighbors Helping Neighbors”

In co-operation with the Red Cross, the Unity Shoppe is a designated recipient of in-kind donations. Items will be collected and offered as needed to all disaster victims referred to us for services.

“Many people have lost their homes or been evacuated for the Tea and Jesusita Fires in Santa Barbara. Fire Victims need a change of clothing, jeans, shoes, personal care items and basic necessities. They will continue to use our many services in the months to come as they work to rebuild their lives. The Unity Shoppe acts as a long-term support service and we help many people year-round. We are always in need of cash donations to assist in replenishing our inventory.”

Tom Reed, Executive Director
